# JAKE JIMMY

Full-Stack Developer

Thalayolaparambu, Kerala | +91 7994806952 | jakejimmy.xib@gmail.com | github.com/jake-2004 | www.linkedin.com/in/

## PROFESSIONAL SUMMARY

Full-stack developer specializing in the MERN stack, PHP, and MySQL, with experience designing scalable web applications, RESTful APIs, secure authentication systems, and database-driven applications. Passionate about backend engineering, clean architecture, and building reliable software solutions.

## TECHNICAL SKILLS

**Languages:** JavaScript, Python, PHP

**Databases:** MongoDB, Mongoose, MySQL

**Frontend:** React.js, HTML5, CSS3, Bootstrap

**Backend:** Node.js, Express.js, PHP

**Tools:** Git, GitHub, VS Code, Postman, npm, XAMPP

**Concepts:** REST APIs, JSON, AJAX, JWT, RBAC, MVC, CRUD, API Integration

## PROFESSIONAL EXPERIENCE

**MERN Stack Development Trainee** — Amigosia Private Limited (Hybrid)

*June 2026 – Present*

- Developing production-ready MERN stack applications using MongoDB, Express.js, React.js, and Node.js.
- Applying REST API development, authentication, Git workflows, debugging, database modelling, and collaborative software engineering practices.

## PROJECTS

**Nexus University** | React.js, Node.js, Express.js, MongoDB

- Developed a MERN-based campus management platform supporting student records, attendance, grading, announcements, analytics, and reporting.
- Implemented JWT authentication, role-based authorization (RBAC), CSV bulk import with duplicate detection, advanced search, and report export.
- Integrated FaceAPI.js and MediaPipe Selfie Segmentation for AI-assisted profile image validation and automated background processing.

**Resto — Home Delivery, Pre-Food Booking & Table Booking System** | PHP, MySQL, JavaScript

- Developed a PHP/MySQL web application for restaurant food pre-booking, table reservations, and home delivery management.
- Implemented authentication, role-based access, advanced search, and admin-side reporting features.

## EDUCATION

**Integrated Master of Computer Applications (MCA)**

Amal Jyothi College of Engineering | 2022 – 2027

CGPA: 6.82 / 10.00

## CERTIFICATIONS

**Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate** — Oracle

- Gained foundational knowledge of Artificial Intelligence, Machine Learning, Generative AI, Oracle Cloud Infrastructure (OCI) AI services, responsible AI practices, and cloud-based AI solution deployment.

## VOLUNTEER EXPERIENCE

**Volunteer** — NASA Space Apps Challenge 2025, Amal Jyothi College of Engineering (2025)

- Supported event coordination, participant assistance, and smooth execution of the global hackathon through effective teamwork and leadership.
